CITY OF WICHITA MANDATORY CONTRACTUAL PROVISIONS ATTACHMENT

- 1 **Terms Herein Controlling Provisions** The terms of this attachment shall prevail and control over the terms of any other conflicting provisions in any other document relating to and a part of the Agreement.
- 2 **Choice of Law** This Agreement shall be interpreted under and governed by the laws of the State of Kansas. Any dispute or cause of action that arises in connection with this Agreement will be brought before a court of competent jurisdiction in Sedgewick County, Kansas.
- 3 **Termination Due to Lack of Funding Appropriation** If, in the judgment of the City's Director of Finance, sufficient funds are not appropriated to continue the function performed in this Agreement and for the payment of the charges hereunder, City may terminate this Agreement at the end of its current fiscal year. City agrees to give written notice of termination to Contractor at least thirty (30) days prior to the end of its current fiscal year and shall give such notice for a greater period prior to the end of such fiscal year as may be provided for in the Agreement, except that such notice shall not be required prior to ninety (90) days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided to City under the Agreement. City will pay to Contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any related equipment. Upon the effective termination of the Agreement by City, title to any such equipment shall revert to Contractor. The termination of the Agreement pursuant to this paragraph shall not cause any penalty to be charged to the City or the Contractor.
- 4 **Disclaimer of Liability** As a Kansas municipality, City shall not be obligated to protect, defend, hold harmless, or indemnify any Contractor beyond that liability incurred under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.). City specifically reserves and does not intend to waive any defenses, limitations of liability or damages, and/or immunities available to it under the Kansas Tort Claims Act or other state or federal law. It is understood that the duty to indemnify or hold harmless includes the duty to defend. This indemnification and hold harmless clause shall apply whether or not insurance policies shall have been determined to be applicable to any of such damages or claims for damages. In no event shall either party be obligated to indemnify the other on account of the negligence or willful misconduct of the party seeking indemnity or any agent or employee thereof.
- 5 **Acceptance of Agreement** This Agreement shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.
- 6 **Arbitration, Damages, Jury Trial and Warranties** The City does not ever accept binding arbitration or the payment of damages or penalties upon the occurrence of a contingency and expressly denies such acceptance for this Agreement. The City never consents to a jury trial to resolve any disputes that may arise hereunder and expressly denies such consent for this Agreement. Contractor waives its right to a jury trial to resolve any disputes that may arise hereunder. No provision of any document within the Agreement between the Parties will be given effect which attempts to exclude, modify, disclaim, or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.
- 7 **Representative's Authority to Contract** By signing this Agreement, the representative of the Contractor thereby represents that such person is duly authorized by the Contractor to execute this Agreement on behalf of the Contractor and that the Contractor agrees to be bound by the provisions thereof.
- 8 **Federal, State and Local Taxes** Unless otherwise specified, the proposal price shall include all applicable federal, state, and local taxes. Contractor shall pay all taxes lawfully imposed on it with respect to any product or service delivered in accordance with this Agreement. City is exempt from state sales or use taxes and federal excise taxes for direct purchases. These taxes shall not be included in the Agreement. Upon request, City shall provide the Contractor a certificate of tax exemption. City makes no representation as to the exemption from liability of any tax imposed by any governmental entity on the Contractor.
- 9 **Insurance** As a Kansas municipality, the City is self-insured for the purpose of general liability insurance. City shall not be required to purchase any insurance against any liability loss or damage to which this Agreement relates, nor shall this Agreement require the City to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), Contractor shall bear the risk of any loss or damage to any personal property to which Contractor holds title.
- 10 **Conflict of Interest** Contractor shall not knowingly employ, during the period of this Agreement or any extensions to it, any professional personnel who are also in the employ of the City and providing services involving this Agreement or services similar in nature to the scope of this Agreement to the City. Furthermore, Contractor shall not knowingly employ, during the period of this Agreement or any extensions to it, any City employee who has participated in the making of this Agreement until at least two years after his/her termination of employment with the City.
- 11 **Confidentiality** Contractor may have access to private or confidential data maintained by City to the extent necessary to carry out its responsibilities under this Agreement. Contractor must comply with all the requirements of the Kansas Open Records Act (K.S.A. 47-215 et seq.) in providing services and/or goods under this Agreement. Contractor shall accept full responsibility for providing adequate supervision and training to its agents and employees to ensure compliance with the Act. No private or confidential data collected, maintained or used in the course of performance of this Agreement shall be disseminated by either party except as authorized by statute, either during the period of the Agreement or thereafter. Contractor must agree to return any or all data furnished by the City, promptly at the request of City in whatever form it is maintained by Contractor. Upon the termination or expiration of this Agreement, Contractor shall not use any of such data or any material derived from the data for any purpose and, where so instructed by City, shall destroy or render such data or material unreadable. The parties accept that City must comply with the Kansas Open Records Act and will produce upon written request all documents pertaining to this Agreement other than those covered by express exceptions to disclosure listed in the Act.
- 12 **Cash Basis and Budget Laws** The right of the City to enter into this Agreement is subject to the provisions of the Cash Basis Law (K.S.A. 10-1112 and 10-1113) the Budget Law (K.S.A. 75-2935), and all other laws of the State of Kansas. This Agreement shall be construed and interpreted to ensure that the City shall always stay in conformity with such laws, and as a condition of this Agreement the City reserves the right to unilaterally sever, modify, or terminate this Agreement at any time if, in the opinion of its legal counsel, the Agreement may be deemed to violate the terms of such laws.
- 13 **Anti-Discrimination Clause** Contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.), the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.), the Discrimination Against Military Personnel Act (K.S.A. 44-1125 et seq.), and the applicable provisions of the Americans with Disabilities Act (ADA) (42 U.S.C. 12101 et seq.); (b) to not engage in illegal discrimination in employment against its contractors, subcontractors,

or employees on the basis of their age, color, disability, familial status, genetic information, national origin or ancestry, race, religion, sex, veteran status or any other factor protected by law ("protected class") subject to the qualifications found at 2.06.060 of the Municipal Code of the City of Wichita and to follow other applicable provisions of the City of Wichita Non-Discrimination Ordinance found at Chapter 2.06.010 *et seq.* of the Municipal Code of the City of Wichita; (c) to include in all solicitations or advertisements for employees the phrase "equal opportunity employer;" (d) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (e) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; Contractor's failure to comply with the reporting requirements of (d) above, or if the Contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission or City of Wichita Hearing Officer, such violation shall constitute a breach of contract and the Agreement may be cancelled, terminated or suspended, in whole or in part by City without incurring contractual damages or penalty; and (g) if it is determined that the Contractor has violated applicable provisions of the ADA, such violation shall constitute a breach of the Agreement and the Agreement may be cancelled, terminated or suspended, in whole or in part by City without incurring contractual damages or penalty.

14. **Suspension/Debarment** Contractor acknowledges that as part of the Code of Federal Regulations (2 C.F.R. Part 180) a person or entity that is debarred or suspended in the System for Award Management (SAM) shall be excluded from federal financial and nonfinancial assistance and benefits under federal programs and activities. All non-federal entities, including the City of Wichita, must determine whether the Contractor has been excluded from the system and any federal funding received, or to be received, by the City in relation to this Agreement prohibits the City from contracting with any Contractor that has been so listed. In the event the Contractor is debarred or suspended under the SAM, the Contractor shall notify the City in writing of such determination within five (5) business days as set forth in the Notice provision of this Agreement. City shall have the right, in its sole discretion, to declare the Agreement terminated for breach upon receipt of the written notice. Contractor shall be responsible for determining whether any sub-contractor performing any work for Contractor pursuant to this Agreement has been debarred or suspended under the SAM and to notify City within the same five (5) business days, with the City reserving the same right to terminate for breach as set forth herein.
15. **Compliance with Law** Contractor shall comply with all applicable local, state, and federal laws and regulations in carrying out this Agreement, regardless of whether said local, state, and federal laws are specifically referenced in the Agreement to which this attached is incorporated.
16. **No Assignment** The services to be provided by the Contractor under this Contract are personal and cannot be assigned, delegated, sublet, or transferred without the specific written consent of the City.
17. **Third Party Exclusion** This Agreement is intended solely for the benefit of City and Contractor and is not intended to benefit, either directly or indirectly, any third party or member(s) of the public at large. No third party may sue for damages based on the terms or performance of this Agreement.
18. **No Arbitration** The Contractor and the City shall not be obligated to resolve any claim or dispute related to the Contract by arbitration. Any reference to arbitration in bid or proposal documents is deemed void.

20. **Ownership of Data** All data, forms, procedures, software, manuals, system descriptions, and workflows developed or accumulated by Contractor in relation to this Agreement shall be owned by City and shall be handed over and/or returned to City upon the expiration or termination of this Agreement. Contractor shall not release any such materials without written approval of the City.

Introduction

RADeCO is a 68 year old company providing products and services to the Defense, Public Safety, Security, HAZMAT, nuclear decommissioning and power generation industries. The product line consists of CBRNE instrumentation, detection, air monitoring, robotics, drones, and software.

RADeCO is the largest distributor and integrator of the Boston Dynamics Spot Quadruped in the DoD and Public Safety Markets. The company was fortunate enough to be selected to be in the early Adopter program before the robots were commercially available. Our focus has been customizing the base robot platform and upfitting it for the specific industry or customer's needs. This includes the integration of custom radio packages, cameras, explosives detection, radiation detection, 5 gas detection, chemical warfare agents, lidar, color schemes, and training. Apart from multiple robots on a single order, RADeCO has rarely produced the same robot solution twice. Each is unique as we have yet to find a customer with the identical needs of another. The custom Public Safety and DoD/EOD package is referred to as CERBERUS.

Agreement

Wichita Police agree to purchase the Boston Dynamics Spot® robots, payloads, software, accessories, or services for the applicable price set forth in estimate 7597 (collectively, the "Product"). See Attached estimate.

Delivery

We will ship the Product to you, as applicable, in approximately 6-8 weeks after you sign this contract, except as set forth herein or otherwise agreed to in writing.

Training

There are two parts to the training. One is a Teams meeting during the unboxing and the other is in person training. The RADeCO training package will include an unboxing teams meeting. This will get you up and running when you first receive the SPOT Robot and its payloads. The Teams meeting can take a couple hours to get the robot unboxed, radios paired and the payloads attached to the robot. Once that is complete, we can go over the basics with the train the trainer via Teams meeting.

Onsite training can take 1-2 days depending on how quickly the operators pick up the usage of the robot and its payloads. The onsite training will go over the SPOT robot, radio configuration and the sensor streaming payload. Our Managing Field Engineer or our sales manager will be one of the trainers. Both are MAC certified for the MPU5 radios, and both are certified trainers on the robot.

They will go over the dos and don'ts of the robot. Update any software that needs to be done on the robot, controller and radios. They will can go over programing, operation of the payloads and operation of the robot. They will also go over some tricks to train other personnel that are not included in the training. We recommend 3-4 personnel during the onsite training.
